

14th July 2021

Dear Members

SASJ would like to thank all its members for co-operating with the decision to suspend shows for the past 2 weeks. SASJ acknowledges that this comes at a great cost to those who make their living from these events, in circumstances where we will never know how many lives were saved as a result of this sacrifice.

In the light of the adjusted level 4 lock down regulations published on 12 July, and after consulting with the Provincial Councils, **a decision was made on Monday** to lift the suspension in respect of provincial and recreational shows. We are, however, awaiting clarity on the directions published by the Minister of Sports, Art and Culture which appear to place more onerous obligations on show holding bodies, venues, and participants than those published by the Minister of Health.

We hope shortly to issue a formal announcement that addresses the concerns raised in relation to the regulations and, in the meantime, thank you for your patience.
