

Article 1 Principles

1. The FEI Jumping Children's Classics may be organised by any member NF of the FEI.
2. There are three Tours, Gold, Silver and Bronze, of different standards. Children may participate in qualifying Events with Horses or Ponies in all three Tours. Athletes may only compete on Horses in the Final.
3. Each Tour consists of two Competitions run over two days and four different courses designed by a Course Designer designated by the FEI.
4. Each of the two Competitions consists of two rounds run under Table A, Art. 273.3.3.2. In case of equality of penalties after the second round of either Competition, the time of the second round will decide. Both rounds must be jumped on the same day.
5. The complete Competition consists of four rounds. The final score for each Athlete is the total penalties of the four rounds and the total of his/her time in the two second rounds. If the totals of times are equal, the fastest time in the second round of the second Competition will decide.
6. Gold Tour Competitions must be organised at outdoor Events between 1 January and ~~8~~7 October ~~2018~~2019. Silver and Bronze Tour Competitions must be organised at outdoor Events between 1 January and ~~3~~2 December ~~2018~~2019.
7. Horses must be at least six years old.

Article 2 Participation

1. A country may host and have Athletes participate in each of the three Tours.
2. Tours
 - 2.1. Gold Tour: For children with more experience, age according to the Rules for Jumping Events Annex XII, Art. 3 (from the start of the year in which they reach 12 until the end of the year in which they reach 14).
 - 2.2. Silver Tour: For the promotion of the sport in countries organising this kind of competition for the first time, or for countries that have in their own rules and regulations established competitions for children under 12 years of age. Children may participate in this category until the end of the year in which they reach 14.
 - 2.3. Bronze Tour: As for the Silver Tour, but for children with less experience.
 - 2.4. A child can only participate in one of the three Tours in the same year.
3. The NF of the organising country may enter as many Athletes as it wishes in each of the three Tours.
4. An Athlete domiciled in a foreign country may compete in the competition for the country in which he/she is domiciled.
5. Athletes from abroad may compete under the conditions as laid down in Art. 101 of the FEI General Regulations. The NF organising the qualifier must inform the FEI in writing of the nationality of all Athletes competing in its qualifiers.
6. Athletes participating in additional Competitions outside their own country can only have the scores of their first attempts in Competitions 1 and 2 count for the worldwide standings.
7. Athletes may ride two or more Horses in the Competition but the score of only one Horse may count for points. This Horse must be declared before the first Competition begins and must be communicated in writing to the FEI. This Horse must be ridden as first Horse in each round. The results obtained with the second Horse will not count towards the worldwide standings.

8. An Athlete eliminated in one Competition may start in the other Competition.
9. A draw for each Competition will take place to decide the starting order of the first round.
10. The order of starting in the second round for Horses competing for points will follow the reverse order of penalties incurred in the first round. Other Horses will start at the end also in reverse order of penalties incurred in the first round.
11. A team classification will exist for the Competition.
 - A team of four Athletes must be selected before the first Competition commences. Names of Horses and Athletes must be sent by fax or e-mail to the FEI Headquarters before the first Competition begins.
 - Participating countries may enter a team in each category.
 - A team keeps the same Athletes and Horses throughout the two Competitions.
 - The score of the best three Athletes in each round will be added together to give a team score.
 - Team members eliminated receive 20 penalties more than the lowest placed Athlete in the same round.
 - Team members eliminated in any round may compete in the following round.If, during the overall classification a tie exists for either first, second or third place, classification will be decided according to the times of the best three team Athletes in the second round of the second Competition. If a further tie exists, the times of the best three Athletes in the second round of the first Competition will be the deciding factor.
12. If the FEI Jumping Children's Classics and the FEI Jumping World ~~Jumping~~ Challenge are organised at the same venue on the same dates, Athletes of the appropriate age may take part in both competitions but may not take part with the same horse if both competitions are organised on the same days.

Article 3 Organisation

2. In all three tours, each of the Competitions is to be judged by an FEI Jumping Judge (minimum Level 2) from abroad or from the home NF.
