

PRESIDENTS REPORT 2022

2022 Was a good year for Show-jumping as membership numbers have grown and more shows were held country wide. Many being over scribe and full within hours of entries opening online. This is encouraging for the future. With shows being full so quickly, SASJ might have to look at longer shows or a qualification criteria.

I would like to place on record our thanks and appreciation to all of our sponsors, as without them, the sport would not be in the position that it is.

Toyota have further increased their sponsorship to two world cups and the Easter Festival.

UAG is also continuing with the united league of champions team event. This event proved to be hugely popular. This team event gave the opportunity for riders from different age groups (u/25) and different experience levels (amateurs to top level) to compete together in a team environment, very different pressures.

The SASJ youth series initiative was a great success and will be continued in 2023.

The award ceremony was held at the Indaba Hotel. Congratulations to all the winners.

Live streaming has been a massive positive for the sport with viewer numbers increasing steadily, as an example.

Main derby day 2021	11,000 viewers
Main derby day 2022	23,000 viewers

The stands and tents were full on the day as well.

One area that remains a weakness are the 1.20m PR'S. Dispensation has had to be given by Exco to enable the National Championship to be held. The 1.10m PR's are getting stronger, a solution needs to be found in the interim until the 1.10m PR's start to filter into the 1.20m PR's.

Mediation was attempted with Mr Clem Dos Santos which unfortunately failed. The matter has been referred to arbitration with the SAEF.

Thank you to the Exco for their hard work and dedication to Show-Jumping. It is MUCH APPRECIATED.

To all the Provincial Presidents for all your hard work and support in the provinces, it is also MUCH APPRECIATED.

Sincerely:
Mark White

2022 SASI CHALLENGE

Thanks to Regina Hobbs for organising and Ryan Sander for the great courses, used in each of the provinces who hosted a SASI Challenge. A great event for all the provinces to participate in especially for those riders who are unable to travel out of their provinces, who get a chance to compete nationally with other riders in their grade.

YOUTH EQUESTRIAN GAMES ROAD TO YEG

2022 saw the year of Youth Equestrian Games – A big thank you to the FEI who ensured this event happened with the postponement of the Youth Olympic Games in Dakar from 2022 to 2026. . South Africa had 41 Athletes all aged between the required 15 and 18 years old who sent in Expression of Interest for the long list and still needed to qualify. After the process following the criteria and selection the short list was made and a final competition held from 4 athletes each riding the others horses to get a winner and reserve athlete for YOG.

Thomas van Rijckevorsel on Capital My Lady won the competition as the selected Athlete. Reserve Athlete was Zandi Alcock who rode Tack N Togs Callaho Lansink in the final competition.

As part of the ACES road to YOG both RSA Athlete and Reserve Athlete were invited to attend a ACES/FEI Solidarity Camp in Morocco from the 5th to 8th May 2022 with the other countries Athletes as part of Team Africa.

Team Africa Athletes then went to an ACES pre Youth Equestrian Games training camp in Herford, Germany before heading to Aachen for the YEG 2022.

Team Africa were part of the total 30 young athletes from six continents who earned their place to the FEI Youth Equestrian Games 2022 held in Aachen, Germany from the 28th June to 3rd July 2022. Due to the height of the Covid 19 pandemic the International Olympic Committee had postponed the Youth Olympic Games to 2026, In light of this postponement the global equestrian governing body, FEI announced it would host the first ever Youth Equestrian Games in Aachen and RSA was part of Team Africa.

The qualification process mirrored previous YOG editions and continued with the YEG competing on borrowed horses, This event is not just a fantastic opportunity for young athlete to showcase their sporting talent but the youth are our future and their involvement is essential for the long term future and development of equestrian sport was what FEI saw in this opportunity.

Team Africa did ACES proud to ride into Bronze medal place in the team event.

After the celebrations of a Bronze Team medal, on the 2nd July 2022 in front of a packed stadium in Aachen, RSA's Thomas van Rijkvorsel rode to claim the individual Gold medal. Thomas emerged from the second round of the final competition as the fastest rider with a clear round in a time of 32.69 seconds riding his borrowed mare Lucy 781. Team mate Jed Guerraoui from Morroco also finishing on the podium with the Silver medal. This was a huge achievement for Equestrian Sport and Show Jumping South Africa.

South Africa's International journey in 2022 also consisted of the following RSA Show Jumpers competing at the following events:
