

2024 SASJ PRESIDENTS REPORT

Overview of 2024

As we reflect on the past year the showjumping community has made tremendous progress in promoting the sport in South Africa.

This year, we successfully hosted high profile competitions. These events showcased our riders exceptional talent.

Our commitment to nurturing young talent is unwavering, and we have implemented various programs aimed at developing grassroots showjumping.

Looking ahead, our vision for the future remains bright. We aim to host larger competitions and endeavour to promote our riders overseas.

We also aim to continue to enhance our training resources. Together, we can build a stronger, more inclusive showjumping community.

In closing, I would like to express my heartfelt gratitude to every member, sponsor, volunteer and supporter who has contributed to our journey.

Your hard work and dedication is vital to SA Showjumping.

We look forward to a even more successful 2025.

Thank you

Mark White

Report on the SASJ FEI CSIY Tri-Nations Young Rider Showjumping Team Event

The Tri-Nations Young Rider Showjumping Team Event was held in conjunction with the 334 World Cup Qualifier event from April 30th to May 4th, 2024. This prestigious event marked the first time in 17 years that South Africa hosted an International Tri-Nations team event. Teams from Ireland and Portugal competed on borrowed horses against a selected South African young rider team, thanks to an initiative spearheaded by Barry Taylor.

South Africa Showjumping generously covered the flights and accommodation for the visiting teams, who were accommodated at the Indaba Hotel and provided with shuttle services to and from the venue. The event featured a diverse and high-quality pool of horses, and South Africa Showjumping extends its gratitude to the horse owners who leased their horses for this event.

Event Highlights

The visiting international riders, along with their parents and team managers, enjoyed a day off with an excursion to experience Harties Cable Way, followed by lunch at Glen Africa. This outing included an unforgettable elephant experience and game drive. A special welcome cocktail evening was also held, featuring a significant number of South African colours recipients. The ambassador of Ireland and Portugal graced both the cocktail evening and the main Tri-Nations team event with their presence and were extremely impressed by the event.

Competition Results

The event was a resounding success, thoroughly enjoyed by all participants. The first warm-up competition saw a hat trick for the Irish riders, who claimed the top three prizes. Katie Nallon and Zorino Hot Spot took the win, showcasing the strength of the Irish team. Ireland continued their winning streak in the second warm-up competition, with Eoin Brennan riding the Oscar Ncube/Macfarlane-owned horse S'Fikile Callaho Consigo to victory. The main class reached its peak with a thrilling second round, where the South African young rider team emerged victorious. Ashlee Taylor on Roxstar Bourbon, Hamza Minty on Caldhome's Eragon, Giorgia Scribante on Continental Drift, and Thomas van Rijckevorsel on Ultimo D'elipai, with reserve rider Janine Coetzee and managed by Brendan McNevin, clinched the win over Ireland and Portugal, who finished in second and third place respectively.

2024 FEI Children's Classics Final in Lerma, Mexico.

Congratulations to Luca Watson on qualifying for the final competition, while Ela Vita Kastelic participates in the Farewell Competition.

The FEI Children's Classic Final event features 16 (Host Country) Mexican athletes and 16 foreign qualified athletes. Each home athlete provides two horses, one of which is drawn by a foreign competitor, and the other they compete.. Following two qualifying rounds, the top 50% advance to the Final Competition, while the remainder participate in the Farewell Competition. Kudos to these talented athletes for their exceptional skill in competing with borrowed horses. Congratulations to Luca Dominic Watson who secured a 8th place in the 2024 FEI Children's Classics Final on Volendam. Commendations to Luca and Ela Vita and all the qualified athletes for their impressive performances at this event, navigating the challenges of borrowed horses and forging new connections. 🇳🇱

2024 FEI Jumping World Challenge Finals, in Tashkent, Uzbekistan

RSA Athletes Victoria Greyvensteyn and Divan Bosman both qualified for the 2024 FEI Jumping World Challenge Final in Tashkent, Uzbekistan from the 21st October to 27th October 2024.

We congratulate Victoria Greyvensteyn and Divan Bosman on their remarkable accomplishments at the FEI Jumping World Challenge Final 2024 in Tashkent, Uzbekistan, led by Team Manager Anton Hoek. Gratitude is expressed to the owners of Queen and Jadcasall AZ and all owners who make these competition possible. Victoria achieved a FEI Bronze Medal in the 2024 FEI Jumping World Challenge Final, and Divan secured a Bronze medal in the FEI Farewell competition.

Divan Bosman also winning the overall rankings for the current year and looking to attend the 2025 FEI Jumping World Challenge Final.

I wanted to take a moment to reflect on my recent experience at the FEI Jumping World Challenge 2024 Final in Tashkent, where I had the privilege of serving as the team manager for Divan and Victoria.

From the very first day, I was struck by the warmth and professionalism with which we were treated. The Tashkent Federation and the entire FEI team ensured that every aspect of the event ran smoothly, and it was clear that they put immense effort into making us feel welcome. The atmosphere around the arena was electric, yet it was the kindness and hospitality of the officials that truly stood out. Despite the language barrier, the officials were incredibly patient and dedicated, always going the extra mile to assist and support the teams.

As a coach, I also found it refreshing and educational to engage with the veterinary delegates and veterinary service managers. It was enlightening to hear about the latest trends in Europe and gain insights into how different nations approach horse care and management.

Of course, the event also provided the opportunity to reconnect with old friends and make new acquaintances, which always enriches the experience. It was a joy to share the journey with such passionate and dedicated people from around the world.

A special congratulations to Victoria for her outstanding 3rd-place finish in the final championship. I am immensely proud of her, as well as her team and coach, Nicola Sime Riley, for the support and commitment that led to this podium achievement. Similarly, I want to extend heartfelt congratulations to Divan for his remarkable 3rd-place finish in the farewell championship class. Another podium finish for Team RSA, and another proud moment for all of us.

In closing, I would like to express my sincere gratitude to the Tashkent Federation, the FEI team, and everyone involved in making the event such a memorable success. A special thank you to Andreina Wipraechtger for all the arrangements made and for your dedication in ensuring everything went smoothly. Your hard work and attention to detail are truly appreciated. Their exceptional hospitality and dedication to excellence have set a high standard that will be difficult to surpass.

Thank you once again for this unforgettable experience. Anthon Hoek.
