Effective 1 January 2025

The requirements outlined in this document are mandatory for OC's (Organising Committees, Venues, Show Holding Bodies), herein referred to as OC.

It must be accepted that all forms of horse riding involves an element of risk.

The OC is responsible of ensuring that measures are in place to ensure the physical safety and security of persons and property at the event.

The OC/Venue/Show Holding Body is responsible for:

- Planning of the medical coverage at their events
- Be in possession of an operational plan for Emergency services for each event.
- To ensure and comply with any legislation applicable under RSA Government
- To ensure and comply with any legislation under local government/municipal authority.
- Any SAEF regulations
- Any other applicable requirement(s) imposed by the applicable legislation and/or FEI Sport Rule
- Have Public Liability Insurance in place
- JOC completed (Joint Operations Committee approval) Metropolitan Municipality office has a JOC.
- Medical company must have malpractice insurance.
- As per SAREA – permanent venues must have a permanent medical room

### **SAREA - SAFETY ACT at Sports and Recreational Events Act 2 of 2010 ("the Act")**

### **NATIONAL HEALTH ACT, 2003 (Act 61 of 2003) Emergency Medical Services Regulations.**

**SANS 10366.2009 Edition 2 ("SANS") – is only a guideline.**

### **SASJ event medical coverage**

In order to plan for the medical coverage of their Events – OC's must comply with the following:

#### 1. Healthcare professionals, level of expertise and equipment

- An ALS (Supervisor) must be part of the medical team.
- Ambulance with minimum ILS/BLS per ambulance.
- A minimum of 2 Medical personnel depending on the number of arenas being used.
- OC's Must submit copies of the current HPCSA registration cards with the medical plan.
- OC's must submit copies of the Department of Health Registration valid disc for the emergency vehicle Operating Ambulances.

From the start of the horse inspection to the remainder of the event when the last horse has departed.

The presence of personnel trained in emergency medical care must be ensured throughout the event. This includes training (official and non-official) and warm up.

Appropriate medical equipment must be available at all event venues to a level complying with local legislation and any applicable FEI Sport Rules.

Department of Health Registration (including a valid disc on the ambulance which will be  
The Medical services being used must have Mandatory liability insurance and Malpractice insurance.

The Safety at Sports and Recreational Events Act 2 of 2010 aims:
