

FREE STATE ADULT SHOW JUMPING TEAM

CODE OF CONDUCT

As members of the Free State Adult Show Jumping Team, we are proud to represent our province both in and out of the competition arena. Every rider is expected to uphold the values of sportsmanship, integrity, respect, and professionalism. This Code of Conduct exists to create a positive, supportive, and respectful environment for all team members.

We will always behave in a manner that reflects positively on the Free State Adult Show Jumping Team and the sport of show jumping.

We will treat all team members, officials, organisers, sponsors, volunteers, competitors and spectators with respect, courtesy and kindness at all times.

We will show respect to our Team Managers, Chef d'Équipe, and Team Organisers at all times. Decisions made by the Team Managers, Chef d'Équipe, and Team Organisers regarding the management and operation of the team shall be respected and accepted as final by all team members.

We will support and encourage one another, celebrating successes and offering help and understanding when needed.

We will adhere to the rules and regulations of the team. We will also respect the decisions made by team managers and officials.

We will follow all rules and regulations as set out by SASJ and event organisers, and accept all decisions made by judges and officials.

We will not engage in rude, aggressive, abusive or discriminatory behaviour, nor will we tolerate bullying, intimidation or harassment in any form.

We will communicate respectfully and professionally, and will not make negative comments about team members, officials, organisers, competitors or the sport, either in person or on social media.

We will prioritise the welfare of our horses and demonstrate responsible and ethical horsemanship at all times.

We will be punctual, prepared and committed to all team activities and competitions.

We understand that behaviour which brings the team, our province, or the sport into disrepute may result in disciplinary action, including removal from the team if necessary.

We are proud to represent Free State and will do so with dignity, integrity and pride.
