NEWSFLASH

COVID-19 Hotline 0800-029-999

Dear Members,

We hope you are all well and that you and your family (four legged ones too ❤️) are keeping safe.

SASJ in conjunction with SAEF are closely monitoring the Government's advice and way forward regarding the Corona Virus outbreak.

The Covid-19 pandemic and it's uncertainty has been extremely difficult for everyone, impacting both emotionally and financially.

This is a particularly challenging situation as many of you are unable to compete, to train or effectively do your job, you also have businesses to run, horses to take care of and staff to protect.

We understand that this is not an easy situation for our members.. As athletes, you are known for your resilience and your perseverance, we hope during these tough times you use your strength as well as your determination to come out of this situation stronger than before.

In the mean time we recommend that show holding bodies, livery yards and riding schools get ready to prove compliance with the new Corona Virus protocols that protect the wellbeing of clients and staff.
