**on or before the 31st of January of each calendar year on THE FEDERATION's database. Any member/individual must first register with THE FEDERATION before it shall register with a Discipline Association. No club or member may register an individual without obtaining THE FEDERATION's membership number.**

Although this is the stipulation as per the SAEF Constitution, the SAEF granted every member a grace period till the end of March 2018.

On January 17<sup>th</sup>, 2018 the SAEF sent a personalised letter to every individual member requesting them to login onto the data base and update their personal details.

This is particularly important in terms of checking that your discipline/s as well as clubs are correctly indicated. We believe there may still be members of your Discipline who have not yet done this. Furthermore, there are members who have still not paid their SAEF membership fees.

Remember that this includes Recreational Riders who are required to register and pay the relevant SAEF fee. We wish to advise you that this will no longer be tolerated and these members will be considered to be in bad standing with the SAEF – as a consequence they will be prohibited from participating in competitions and the possibility of a fine being levied on the member, the Show Holding Body or the Discipline for accepting such entries exists.

We therefore urge all disciplines to forward your final membership lists as at 31 March 2018 to the SAEF in order for us to do a final cross-check that will ensure the complete member base is correctly registered and paid up with the SAEF.

Please distribute this mail to all your members without delay and support the SAEF in ensuring that all participants are paid up registered members.

Kind Regards

Wessel Strauss

Secretary General
