

SELECTION CRITERIA FOR WC PONY RIDERS JUMPING TEAMS 2019

It is an honour and privilege to be selected for a Regional Team, and riders chosen will be expected to participate in ALL team functions, including training sessions, cocktail parties, parades, etc. that the Chef de Equipe deems necessary. Once the team has been finalized, the Chef de Equipe, has the final say over all team riders and the selection of the final 4 and reserve. Good sportsmanship is expected at all times as well as courtesy shown to fellow team members and opposition teams. If a rider and horse combination accept their Team selection, they are expected to treat it as their first priority over any other shows/classes that they may wish to compete in.

OBJECTIVE

To select a Team of "on form" combinations as at the time of the show. Performance of all relevant combinations will be monitored 2 to 3 months prior to selection.

RECORDS

A performance record will be kept and will include the following: -

Size and Type of Class, Placing, Clear Rounds, Type of Faults (poles or stops), Recurring Problems (water, napping etc.)

SHORT LIST

After applying the above and analyzing the records, a list of riders will be identified for final selection. This list is purely objective and self-selective.

FINAL SELECTION

Should a team of riders not be obvious after the above process, the following will be considered.

Length of partnership of horse and rider

- Experience of Rider
- Soundness of horse. (Random veterinary inspections may be conducted from time to time, inclusive of dope testing)
- Any disciplinary action or letter of warning that may have been issued to the rider.

SELECTORS DECISION

In the event that after all the above, there is a decision to be made between two riders, authority is given to the Selection Committee to choose who they deem to be the best at that time. THIS DECISION WILL BE FINAL. It may be based on rider temperament, by vote, if in a previous team; the commitment and team spirit shown, however it is made, it will be subjective
