## **SASJ Rule Directive 1/19 - ENTRIES**

### **Entry Changes at Events**

Horses and rider combinations entered in events – both National and Provincial events may request the OC to change classes provided:

- Should a rider wish to move his horse DOWN to a lower grade from that originally entered, this will be allowed. The OC can determine if the horse is non-competitive, due to the number of horses in the class and the prize allocation, or whether they can accommodate the horse as competition proper. However, during National Events the horse may move down, but will be NON-COMPETITIVE.
- Should a rider wish to move his horse UP a grade from that originally entered, this will not be allowed under any circumstances. Only horses entered in the OPEN category may nominate between the heights advertised in the schedule.

### **Composite Entry changes**

Entries may only be changed ONCE from the original entry. Athlete/horse who wish to move down a height at the event, which could entails moving arenas, will be permitted to do so, BUT THEY MAY NOT MOVE BACK UP AGAIN. No Athlete/horse may move up from the original entry. Please note that if you wish to move into the last class, and it is a Championship class, this will not be allowed if the rules state that you have to have completed ONE full round to qualify.

### **Classes**

Horses may only compete in one Championship per show. Horses may not compete in the same 2 types of classes per day.

### **Bought and Sold Entries**

Buying and selling of entries must be done according to the show schedule which is binding. These have to be filled in correctly on the SASJ bought and Sold Entry form and in the timelines as set by the OC in the schedule

### **Substitutions**

A substitution is a change of EITHER a horse or rider.

For provincial classes with Composite entry fee, should a horse need to be substituted it may be substituted ONCE per entry only (if a composite entry of 4 classes, only ONE change may be done). Should a rider need to be substituted and the entry consists of a composite entry of 4 classes, the rider may be changed more than once. All substitutions must be given to the show holder on the correct forms, signed by all the correct parties, a minimum of 30 minutes before the start of the relevant class.

For National classes a substitution may only take place ONCE, before the horse inspection. Should there be NO horse inspection, a substitution may only take place ONCE, by midday on the day before the National classes start, thereafter, NO substitutions will be permitted. All substitutions must be given to the Show Holder on the correct forms, signed by all the correct parties.
