13. SELECTORS EVALUATION PROCESS.

In evaluating the performances of Athletes, the Selectors will consider, and have the discretion to place a greater emphasis on one or more of the following in considering athletes and horses for selection:

- The Selectors will primarily consider performances of the athletes at CSN and higher events from 1st January 2025. Performances prior to 2025 may also be considered but will generally have lesser weight;
- The Selectors may, in their sole discretion, place greater emphasis on results achieved at higher rated shows;
- Placing in any head-to-head performances will be considered but will not automatically position one athlete above another for selection;
- Competition-based factors will be taken into consideration when assessing each athlete's performance, these include, but are not restricted to:
 - The performance Athletes in relation to the quality and number of competitors;
 - The technical features of the competition.
 - The quality of the riding by an athlete;
 - The general conditions under which the performance is achieved, such as the weather and footing; and
 - The suitability of the Athlete for YOG 2026, taking into account the objective of the team and individual competition and the type of Athlete required to achieving the best possible results in the expected conditions.

- The ability, and experience of the athlete to compete successfully at high-level international competition on different horses. Consideration will be given to:
 1. The ability, or potential ability, of athletes to perform under the stress and pressure of a World Championship;
 2. The ability of athletes to prepare to peak condition for a major campaign;
 3. The demonstrated ability of athletes that they are suitable representatives of South Africa.
- Consistency of performance and the likelihood of a suitable performance to contribute towards a team score may be considered.
- All meetings, discussions and decisions will be documented, with the convenor present at every meeting.
- The selection process is a confidential process. Selectors must not discuss the process or decisions with any persons outside of the Selection Committee. All discussions, communications, minutes of meetings, documents, decisions and other information exchanged by or produced by any of the selectors during the course of the selection process will remain confidential and will not be disclosed to any third party, including but not limited to athletes, their coaches and parents.
- The Selection Committee's decision will be final and binding and not subject to appeal.

14. SUBSTITUTION/REPLACEMENT OF ATHLETES.

Following selection of the SA Show Jumping Individual positions if:

- In the opinion of the Selectors (in consultation with the Executive Committee of SA Show Jumping), there has been a loss of form or fitness by an Athlete. The loss of form must be assessed to be likely to be sustained and affect performance at YOG; or
- an Athlete contravenes their athlete agreement, FEI Veterinary Regulations, SA Show Jumping Rules and Regulations, Policies or Constitution; or
- an Athlete does not meet the requirements outlined in the Athletes Agreement then the athlete may be replaced by the athletes according to the placings of the ride off competition as mentioned in the timeline above.
- The Athlete is not available for Team South Africa/ACES training camps.
