Saturday and Sunday will start with course walks at 7.15am, first horse in at 7.30am

We have extremely full days, so please help everyone by being prompt.

The days will run as follows :

Classes of the same height will course walk together, and have a joint prize giving after that height is finished

Handicap classes (eg pony 80/90, and 60/70cm -will walk together, and in their competition class the 80cm ponies will all jump, then

jump their jump off, before the 90cm ponies jump their first round, followed by their jump off, followed by prize giving

For the competition classes, all riders will jump their first rounds first, followed by the jump offs (eg junior 90 & adult 90 course walk together, junior 90s first round, then adult 90s first round, then junior jump off, then adult jump off, then prizegivings.

The 1.20/1.25, 1.30/1.35 & 1.10.1.15 classes will run as follows :

all lower height horses jump their first round - juniors and adults, then their jump off, then the course will be raised 5cm and all those going through will do their jump off, followed by prizegivings.

All first & second placed prize winners grooms will receive prizes (T-shirts & fruit packs), so please make sure your groom is ready to come into the arena with you
