Established in 1986 we are an independent insurance brokerage operating from Durban's Berea. We conduct business with South Africa's biggest, most reliable insurers, and are members of Financial Intermediaries Association. We specialise in Personal Lines, Commercial & Specialist insurances and have clients around the world.

Many thanks to the following sponsors:

AnA Insurance Brokers - Nina Swart
and family, who have sponsored
Triple P Shows almost since its inception!

Our business is PERSONAL SERVICE, we act for YOU the client and the Insurance Company in YOUR BEST INTERESTS. Our client base with the Insurance companies gives us an advantage when negotiating better rates & claims settlements with them. As an individual dealing with an insurance company you have no advantages. Our services cost you nothing. We have over 80 years combined insurance experience between the three of us, both in the UK and South African insurance markets. Our relationship with our clients enables us to understand their needs. Remember "You get what you pay for".
Not all insurance policies give you the same cover!!

Meshal & Pranesh Singh - relative newcomers to the sport, so your generosity is much appreciated

Mark Roberts & Associates - Cathy & Mark Roberts, who even after daughter Hannah no longer rides are still always happy to give back to the sport

MARK ROBERTS & ASSOCIATES
HR & Associated Employment Law Support

GPS PROJECTS - Gavin Swart - thank you for never saying no when we ask !

A few words from Linda

Equestrian athletes come in all shapes and sizes, but what defines all of the true legends of our sport are their attitude and ability to use their mental skills to great advantage.

Unlock your full potential and reach all your riding goals.

Your mindset is a vital part of your riding career, and spending time developing mental skills and techniques to help you will definitely make a difference to your performance on show day!

Linda has the most amazing results - and lots are via zoom calls, so if you are experiencing any type of riding or show problems, a course with her is just what you need.
