Chairman's Report

SC welcomed and thanked all for attending the meeting. Due to Covid 19, there was little to report on. SC hoped that the new season, would be better.

Finance report

LvdH presented the financial report. Financial report was accepted by the meeting. 2020 was for obvious reasons a quiet year, with not much happening. Our only major expense was rosettes and trophies for MP Champs. Our brought forward available balance therefore increased from R13756 to R24031. Hopefully, this can be put to use in 2021!
Council to suggest a suitable budget

Vote and Acceptance of committee elected members

FR was concerned that some of the nominees were not present at the AGM and therefore could not accept the positions. Our constitution allows for co-opting, so it was agreed that we would do this after the AGM.
