

Provincial Level 3 - Syllabus (= FEI Level 1)

Before the Provincial level 3 Course Designer becomes a FEI LEVEL 1 Course Designer they should be able to perform all the duties listed below as well as having fulfilled all the criteria required in terms of the new course designer model for promotion as the FEI requirements .

The course designer should:

1. Have fulfilled the FEI Level 1 requirements.
2. Have earned the respect of show organisers and riders – being able to deliver a high quality of competition and a successful event in all aspects.
3. Be able to design and build tracks that provide a good balance of tests to horse and rider, ensuring that the best combination on the day win the class.
4. Have good communication and managerial skills – be able to work with other CD's of varying levels of experience, as well as teams to set up the competition arena.
5. Be able to work with a computerised programme to deliver professional, accurate course plans which are easy for the jury and riders to “read”.
6. Be able to demonstrate competence, confidence, artistic flair and a good knowledge of all the requirements of each type of competition and level.
7. Be able to maximise the use of equipment and facilities.
8. Be able to maximise the benefits to sponsors of their fence material or other arena décor.
9. Should be able to assist show organisers with the planning of the schedule, the timetable, the consecutive classes, and the number of competitors through a day at their show.
10. Have assisted FEI Level II and III course designers at major events – should try to travel within the country and abroad to work with top course designers.
11. Demonstrate the ability to design with flair and imagination whilst remaining true to the parameters of the competition type.
