Apologies: Pat Pohl, Angela Liesenberg

1. 50% of levies for shows paid to SASJ are allocated to the EC account. Please can the jumping Reps of each club send Robyn the shows held at their clubs and the levies paid over to SASJ from November 2015 to now (end April).

I can then do a Reconciliation to see that the correct amount is being allocated to the EC.

30% of Membership should be allocated to the EC account. This has not been done yet by the National Office.

2. Joanna Faram on jofaram@gmail.com is willing to coordinate the 2017 calendar. She will contact Glynis Fuller who so kindly helped last year and go from there. We would like to coordinate with NC and WC so that our big shows do not clash as it would be great if we could support each others provinces. Show dates must be given to Joanna by the end of June 2016.

3. Committees of each club are to select 5 people from the EC to be selectors. 5 people will then be selected from this group as selectors by the committee and council. There must be minimum representation from each club.

4. Anyone interested in being the Chef d'equipe at Pony and Junior Champs must please submit a mini CV to Robyn by the end of April. The committee and council will then select a person or more depending on no of teams.

5. Tanya Radke is in the process of setting up training for all Officials, Judges and Course Designers. A lot of the training will be done via the GoToMeeting that the National Office is going to fund but Tanya will be coordinating all of this. Her email is tanyaradke@me.com. This is very exciting so please can all those interested contact her regarding criteria needed to become one of the above.

6. Anthony Kay will be voting on the Athlete that will be part of the SASJ National Committee.

7. All riders wanting to compete in graded shows must register with SASJ. Below 90cm they may be a Recreational member which is FREE. Please can all the show reps help and encourage the riders to register.

8. Lauren Freitag will be getting hold of the National office to find out what the EDS levy money is spent on.
